<b>1 Minute</b> <b>Preparatory flag (P) lowered</b> ; 1 sound	1 minute to start		09:59	13:59	11:59
<b>Start</b>	<b>HHSA flag lowered</b> ; 1 sound		10:00	14:00	12:00

**Recall:** Individual recalls will be signaled in accordance with Racing Rule 29 (Code Flag X, blue cross on white field). The race committee will also attempt to hail the boat's sail number or name. The Penalty for failing to start properly is 15 minutes. In addition, the Race Committee may hail the sail number(s) of recalled boat(s) on VHF channel 72 and/or by loudhailer.

**General recall:** When the committee is unable to identify the boats that are on the course side of the starting line, or there has been an error in the starting procedure, the committee may signal a general recall (display the First Substitute with two sounds. The warning signal for the new start shall be made one minute after the First Substitute is removed.

**Postponements:** Before the starting signal the committee may postpone by displaying the "AP" flag (red with two vertical, white stripes) with two sounds. The next warning signal may take place 1 minute after "AP" is removed.

**Shortened Course:** The race committee at its discretion, may shorten the course by finishing the race at any prescribed turning mark by anchoring, displaying code flag "S" and firing two guns. The turning mark will on same hand as in the course description, the committee boat on the other.

**Abandonment:** To abandon the race the committee will display code flag "N" (blue and white check) with three sounds.

**Time Limit:** If no boat has finished after three hours (Harbor Race) or four hours (Sound or Rendezvous Race) then the race in that class is canceled. In the event the committee boat has left station, boats are then to take their own finish time and report to the race committee as soon as possible.

**Rules:** We will be using The Racing Rules of Sailing of the International Sailing Federation.

**Penalties:** Rule 44 shall apply. A boat that has touched a mark shall take a one turn (one tack and one gybe) penalty or a two turn (two tacks and two gybes) penalty for other rule violations. Penalty turns must be completed out of the way of other boats as soon as possible after the infraction.

**Scoring:** First-place prizes will be awarded for each Sunday race, one for Division A, one for Division B. The Low-Point Scoring System, described in Appendix A of the Racing Rules of Sailing, will apply for the season's awards. 14 Sunday races are scheduled, of which 8 shall be completed to constitute a series. Season's award winners must have served on the committee boat at least once during the season. Contact the Commodore to schedule a date if you become a contender. The Tune-up Race counts for nothing. Thursday Evening Races are scored separately from Sunday races.

**Restrictions:** No spinnakers or loose-luffed sails. No use of engines after the preparatory signal for propulsion. No interference with passenger ferries which have the right of way!

**Safety Requirements:** Life-Saving Equipment and Personal Buoyancy: Rule 1.2 shall apply. The HHSA Life Jacket Policy requires that life jackets be worn at all times. Please notify the Committee boat if leaving the race area with the intention of not completing the race. (Channel 72). Insofar as the Committee boat will not be patrolling the race course, all racers are encouraged to carry a VHF radio and to hail a fellow racer or the committee boat if a safety problem should arise.

**Race Committee:** The race committee boat will normally be Vineyard Haven Yacht Club's Vigilant, or Guardian. The committee normally monitors Channel 72 for emergency purposes. For rendezvous races we may use a member's boat. The committees are in complete command of the races at all times. Please do not disturb them by asking for information while they are anchored on the line! Theirs is a very demanding operation.

**Protests:** Protests are to be made in accordance with the Racing Rules of Sailing. If you believe your competitor has infringed any rule or instruction, a protest may be made by showing a protest signal (red flag or cloth) in the starboard rigging. This is to be done at the earliest possible moment after the event, and is to be carried until finished racing, advising the race committee of the protest at the finish. Note that the rules require you to hail "Protest" at the first reasonable opportunity, possibly allowing the Protestee to exonerate himself if he chooses. The protest shall be presented, preferably written, at the get-together after the race.

You must try to inform the protested boat of your intent to protest at the time of the incident. Both protester and protestee must be represented at the hearing, with witnesses if possible. If this is not possible, then mail your protest to the race committee within 24 hours after the race. The protest will be heard and judged by the Protest Committee, consisting of officers of the association.

**There is no stigma in protesting what you believe that a boat has made a real infringement. And not done its penalty turns in accordance with rule 44. This is the traditional way of keeping the sport clean and friendly.**

**VIOLATION OF “FERRY” CHANNEL** A racing boat that causes any Steamship Authority vessel, or other large commercial vessel, south of a line at the mouth of the harbor drawn from Mark RN 4 to Mark 23A to : alter course, slow down, back down, or that passes in front of such vessels and does not yield them right of way, or which in the judgment of the Race Committee passes to close shall be disqualified without protest hearing. This changes RRS 35 and A4.1.
