1993 Moffett Race Summary

The 1993 Moffett Race took place on Saturday 9/11/93 and ran from Vineyard Haven to Bell R28 off Robinsons Hole. It was sailed in a gusty northwesterly with big seas. It was a great day of sailing, but it did favor the bigger and/or faster boats.

The results are summarized in the attached tables. Sailing times were about 20 minutes longer than in 1990 (same course used) for the top of the fleet and as much as 2 hours longer for the bottom. This is due to the wind direction creating a beat all the way west, the size of the seas and the reduced tide effect.

The handicapping was reasonably satisfactory with some obvious exceptions. We took too much time away from the smaller boats but here again the beat and size of the seas were factors. It's interesting to note that if the 1990 handicaps had been used as is, Hot Foot would have won with a corrected time of 173.8 minutes. Hot Foot's handicaps were: 1990 - 28.0 mins, 1993 19.2 mins.

There were 52 entries for 1993 and 47 started of which 43 finished—a good showing. This size fleet is about as big as can be handled without going to two divisions which will raise some difficult management problems.

The need for patrol boats was confirmed.

Attached for future reference is a clipping presenting still another way of massaging handicaps.
